THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

24 August 1976

STATINTL

Dear Ken:

I would like to thank you and your colleagues for the opportunity to meet with you to discuss first-hand the many functions you perform in a most competent and professional manner. Yours is a complex world and I have a new appreciation of the magnitude of the job.

[REDACTED] expressed concern about quicker feedback of decisions from Headquarters to the field office. As I promised, I am looking into the matter.

I hope in some way I was able to convey a message of support and gratitude for the fine contribution you and your office are making. We all know that problems exist, but the opportunities for our Agency outweigh them by far.

Onward and upward.

Faithfully yours,
